Section 7. Terms of Reference (ToR)

for engaging an agency to conduct Case Studies on best practices from RSETIs and publication of an annual Survey of RSETI promoted enterprises

1. Background

Ministry of Rural Development, Govt. of India (MoRD) has promoted Rural Self Employment Training Institutes (RSETIs). RSETIs have been initiated in 2009, with a mandate to mitigate problem of unemployment among rural youth by providing them short duration skill development trainings, RSETIs are run and managed by concerned Lead District Banks and are supported by the States and the MoRD, Govt. of India

RSETIs initiative has now completed a decade of its establishment. At present there are 590 RSETIs spread across 33 States/UTs. At an average of 4 lakh trainees a year, RSETIs till now have trained over 46.20 lakh unemployed youth across the country with more than 70 % settlement rate. Trainings by RSETIs are for self-employment where desirous trainees are extended Bank credit to establish their own ventures. Overall credit linkage to RSETI trainees by the Banks is around 51%. Besides employing themselves in their self-employment ventures, RSETI trainees also give employment to others by engaging them in their enterprises. This contributes to spiraling effects in the areas they work and greatly contributes to the rural economy.

The success of RSETIs is mainly contributed to its unique model of short duration intensive training and collaborative partnership between the Union Govt., the States and the Banks. As it's about addressing the gigantic issue of unemployment in India, RSETIs too have several challenges and pitfalls which need to be identified and addressed. Sustainability of neo-enterprises set up by RSETI trainees, adequate and timely support from different stakeholders may also at times be found wanting. The detailed progress of the RSETIs is presented in *Annex-I*.

2. Role of NAR:

- (v) Develop and hosting of online Assessment and Certification tool for RSETI in the MIS
- (vi) Developing Standard Operating Procedures (SOPs) for RSETI
- (vii) Develop Enterprise Resource Planning (ERP) for RSETIs
- (viii) Impact/Assessment Study of RSETIs
- (ix) Training Need Assessment, Labour Market Assessment of Rural Enterprises and survey etc.

NAR has been working as NRO since 2017 and has been assisted by MoRD, Govt. of India under National Rural Livelihoods Project (NRLP) earlier and now the funding support is being extended National Rural Economic Transformation Project (NRETP), which is an extension of NRLP and is built on the success of NRLP.
